OUR MATCHING GRANT GIVING OPPORTUNITY DEADLINE WAS EXTENDED!

The Cedar Lake Historical Association is partnering with the Crown Point Community Foundation in the GIFT VI Challenge Match. Through this partnership, your contribution to Cedar Lake Historical Association endowment fund will create our agency fund.

Agency endowment funds are important to an organization because endowment funds provide an ongoing annual source of income for the agency. An investment that provides a source of revenue forever! Agency endowment funds are administered under the watchful eye of the Crown Point Community Foundation. The Foundation has a proven track record in prudent management of invested funds.

Through this Gift VI Challenge Match, the Crown Point Community Foundation is encouraging agency endowment funds by offering a match for charitable contributions. Gifts to agency endowment funds will be matched \$.50 on the \$1.
