So Much to See

Well, we did not anticipate launching our 34th tourist season amidst a global pandemic. History is in the making indeed! Despite the disappointments and event delays, it was still another busy winter behind-the-scenes:

- Devoted volunteers spent countless hours overhauling rooms in preparation for several reimagined exhibits in our museum gallery. See a sneak preview when you visit.
- The museum lobby restoration took another step forward with the eradication of the “visual pollution” that plagued our work station. New custom cabinets in keeping with the millwork found throughout our 100-year-old gem have transformed the office into a visual delight.
- Eagle Scout News: We are proud beneficiaries of two recent projects. Branden Bishop’s team replaced the steps on the south entrance of the porch. Isaac Coleman’s crew built a set of frames to screen the porch foundation based on the original design installed by the Lassen Brothers a century ago.

We are opening for the season on Sunday, June 28th with our member cookout. We look forward to sharing additional plans for 2021 with you!

Vera Dines-Whitlow Memorial Art Show
Opening Reception Friday, July 24th

The 5th Annual Community Art Show will return in a modified format this year. As many of you know, we lost our beloved Vera in December. She was the heart and soul of the art show and nurtured it to be our most successful program each summer. We have decided to exclusively feature pieces that were created or inspired by Vera. There will be a special memorial ceremony during the opening reception on Friday, July 24th. Please join us to honor our dear friend.

If you have artwork created, guided, or inspired by Vera that you would like to display, please contact us at 219.390.9423 or clhamuseum@yahoo.com
