Rest in Peace Emilie Sumara

Emilie was a charter member of CLHA. She was instrumental in saving our building and opening the museum. She contributed several artifacts, including the ice box displayed in the 1920's kitchen. She & her family were very active volunteers. She was former secretary and tour guide and her late husband, Frank, baked many pies from scratch for our pie & ice cream socials. Our prayers remain with her family and many friends around town.
“Visual Pollution” Project

This spring we received a grant from the Crown Point Community Foundation Cedar Lake Community Fund to restore the museum lobby to reflect its original beauty. Hardwood floors were refinished, original sconces were relit, and several images from Lassen’s Resort were enlarged so our visitors can experience how the property was used 100 years ago. Upon completion of the project, we took a look around and our eyes landed upon, as our dear carpenter gently put it, “visual pollution.” Can we count on you to help remedy the problem?

We have designed custom cabinetry that will pay homage to the building’s 1920s design: floor-to-ceiling, shaker-style, closed cabinet storage stained to match the original trim of the Hotel, a 10-foot run of desktop with two workstations, an oversized bank of drawers behind the front desk, and a hotel key and mail slot cabinet.

We will accomplish all of this for $6,500. If you have ever priced a renovation project, you know what an affordable discount our cabinet shop is offering to create an immensely useful, customized office layout. We have already received gifts totaling $2,250. Will you help us with a donation to make our best first impression with museum visitors in 2020? You may mail a check or make a secure donation at www.cedarlakehistory.org.

Volunteers Sought
Can you lend a hand?

There are no museum tours offered October through April; however, there will be plenty of activity around the museum. We are seeking able-bodied ladies and gentlemen to help with a renovation odds and ends this winter. Grab your work gloves and give us a call.

Internships also available. Or do you have another area of expertise or skill such as electrical, carpentry, window repair, drywall, plaster repair, painting, video production, photography, non-profit business management or more? We’re interested! Contact us TODAY at 219.390.9423.

Journey through the Calumet landscape, an unexpected national treasure shaped by generations of grit and passion, home to fragile ecosystems and industrial might. Visit the Calumet Voices, National Stories exhibit series and explore the hidden gems, world-class innovation, and artistic expression that make this region like no other.

Plan to visit the Calumet Voices, National Stories exhibit at each of its three sites in the region, and at the Field Museum. Presented by local museums, galleries, and history centers, each exhibit in the series will be a unique display of artifacts and interactive components showcasing the region’s unparalleled combination of natural, industrial, and cultural heritage.

The Cedar Lake Historical Association is a proud member of the Calumet Curators and will display memorabilia and artifacts from the CLHA collection as part of the second site exhibit at the Gary Public Library, opening in January 2020.

From Chicago’s Pullman National Monument to the Indiana Dunes National Park, the compelling landscape of the Calumet region mixes rare and extraordinary natural areas with scenes of technological wonder. Behind what the eye sees are equally compelling human stories of settlement, construction, inquiry, struggle and renewal. Visit www.calumetheritagearea.org to learn more.

The Calumet Voices, National Stories exhibition series is a collaborative effort of the Calumet Curators, a group of the Calumet Heritage Partnership, and the Field Museum. This series showcases the rich cultural, industrial, and natural heritage of the Calumet region. The Calumet Heritage Partnership, the Calumet Collaborative, and the Field Museum lead the effort to designate the Calumet region as a National Heritage Area.
